Re: Regional Class site

As of **July 1, 2021** the Regional class site located in Fargo, ND, Spooner, WI and St. Cloud, MN will be closed. Apprentices assigned to attend classes at these sites will now have to obtain their 40 hours of annual training through Online Interactive Learning for Sprinkler Fitters (OILS). OILS can be accessed through the WCC testing site where apprentices do their lessons.

OILS is a series of **8 modules**, each module is worth 5 hours of credit. In order to receive credit a quiz that must be passed with a minimum score of 75%. Quizzes may be repeated to reach a passing score of 75%.

Sincerely,

Charles W. Ketner
Director
