669 Retirees' Sprinkler Fitters Reunion

Hello my fellow Local Union 669 Retirees,

It's time once again to start getting registered for our upcoming Local 669 Retiree gathering in Branson, Missouri September 29th through October 3rd, 2025.

Your hospitality manager, Todd Johnson, has been hard at work since last year trying to improve your 2025 experience, such as the dinner boat cruise. We have been able to lower your costs **this year** by obtaining donations from our Local 669 Union partners, vendors, and Signatory Contractors that were willing to participate.

For all you newcomers, Branson offers a wide variety of activities from shopping, entertainment, outdoor recreation, such as, golf, fishing & boating, camping, hiking & exploring, ATV, and horseback trail riding. You and your spouse, special someone, or friends can enjoy all these activities and more outside of the group setting for some "Just We" time spent together making memories that will last a lifetime!

The Westgate Resort has both cabin and main hotel accommodations on a first come first serve basis. So please, register early.
