

2026 LU 669 RETIRED SPRINKLER FITTER *Reunion* BRANSON, MISSOURI

Greetings Fellow Retirees,

This is Matt Ley reaching out to everyone to remind you that it's time once again to get registered for our 2026 Local Union 669 retiree reunion being held in Branson, Missouri. Last year we had over 100 attendees and it sounded like everyone had a great time. We had a number of first timers and some returning retirees that have been away for a while, and of course the usual suspects in attendance. This year we are hoping that our numbers continue to grow. Please help us get the word out.
